

Thank You!

ACTIVITY **2023** SNAPSHOT

In 2023, your steadfast support propelled Mirror Ministries in combating local domestic minor sex trafficking. Since our establishment in 2014, your dedication has been vital.

Our advocates conducted 108 new assessments bringing freedom and hope to local victims. We saw a record breaking 58 program enrollments in 2023. Currently, 72 clients are supported in various programs at Mirror Ministries, 25% of which are minors.

Esther's Home, Washington State's restoration facility for girls aged 11-17 rescued from sex trafficking, was fully funded and completed in 2023. Your support ensures our readiness to open in 2024, providing intensive therapeutic care to these girls.

As you review this snapshot of our work in 2023, know that we are deeply grateful for your support.

Sincerely,

Executive Director

Mirror Ministries' mission is to respond to domestic minor sex trafficking with the love of Christ through local education, intervention, restoration, and aftercare.

Reflections on our Growth: Past Achievements, Future Goals

Your generosity and compassion in 2023 transformed lives. Consider Lauren,* who, with immense bravery, escaped her traffickers with only the clothes on her back. Through your response to her call for help, she blossomed from a frightened girl into a testament to God's redemptive power. Your aid in her freedom and recovery brought forth the creativity, imagination, and joy we see in her life today. The transformations we witnessed in 2023 empower us to press onward with ambitious goals for 2024.

Our client intake doubled in 2023, and Mirror Ministries is committed to growing our capacity in order to end domestic minor sex trafficking in our midst. Our dedicated staff, both within our Outreach Center and out in the community, tirelessly work to expand our programs and minister to survivors of sex trafficking. However, our current workspace limitations—such as six staff sharing a small office—call for a new Outreach Center location in 2024. We eagerly anticipate God's guidance in this move and count on our steadfast partners to help facilitate this transition when the time comes.

NEW PROGRAM ENROLLMENTS BY YEAR

While the needs of our new clients are substantial, your steadfast support, prayers, and advocacy ensure that those finding freedom continue to walk in it. As another survivor, Stacy*, eloquently put it, "Mirror Ministries honestly saved my life... They didn't only help me—they walked with me during my journey."

Will you continue to walk alongside Lauren, Stacy, and the many more who will seek our help in the year to come? Consider joining these courageous survivors through our new GEMs program (those who Give Every Month). GEMs are our most loyal and dedicated supporters.
